I colori

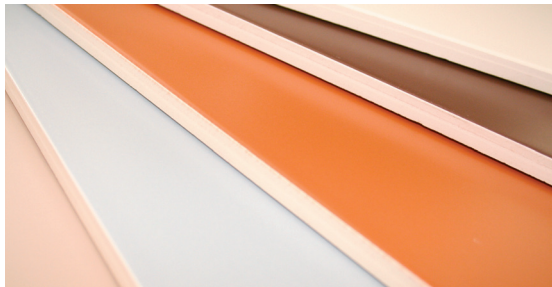

In **DHERMA** la gamma dei colori é morbida e sensibile come gli accordi di un'arpa, romantica e moderna insieme.

Dal Bianco più pieno al Brown più sofisticato, passando per un Salvia evocativo e naturale. Una possibilità infinita di "accordi" nelle mani del progettista per creare ambienti emozionanti ed esclusivi.

The colours

*The colour range of **DHERMA** is soft and sensible, like the tunes of a harp; romantic as well as modern.*

From the brightest White to the most sophisticated Brown, across an evocative and natural Sage. Infinite possibilities of "chords" at designer's hand, in order to create an emotional and exclusive habitat.
