Un formato nuovo 20x50,2 cm.
che si aggiunge alla gamma Senio.
Un nuovo stile, forte come
le suggestioni della terra, in cui
tutto è creazione dalle strutture
alla morbidezza della superficie.
Tenere superfici come pelli
senza tempo che trasmettono
una carica di energia vitale.

The Siderale line is in the new
20x50.2 size of the Senio range.
A new style, strong like
the suggestions of the earth
where everything is creation,
from the structures to the softness
of the surface. Tender surfaces
like timeless skins that transmit
a charge of vital energy.

Un nouveau format vient enrichir
la gamme SENIO : le 20x50,2.
Un style nouveau, fort comme
les suggestions de la terre,
où tout est création à partir
des structures jusqu'à la douceur
des surfaces semblables à une peau
intemporelle source d'un renouveau
d'énergie vitale.

Ein neues Format 20x50,2 ergänzt
die Senio-Kollektion.
Ein neuer Stil, stark durch
Erdegebundenheit,
in der alles Kreation wird,
von der Struktur bis zur Sanftheit
der Oberfläche - wie zeitloses Leder,
aus dem vitale Energie ausströmt.

LE STRUTTURE

THE WEFTS
LES STRUCTURES
DIE STRUKTUREN

Le strutture della serie Siderale sono l'elemento d'arredo indispensabile per il terzo millennio. Create per valorizzare tutte le architetture e gli stili d'arredo, con una sensazione visiva di profondità, bellezza ed eleganza.

The structures of the Siderale serie are the signs of the third millennium. They have been created to highlight all the styles of the modern design and architecture with a visual sensation of deepness, beauty and elegance.

Les structures de la collection SIDERALE constituent l'élément de décoration indispensable au troisième millénaire. Conçues pour mettre en valeur toutes les architectures et styles de décoration d'intérieur les structures de la collection SIDERALE apportent une sensation visuelle de profondeur, de beauté et d'élégance.

Die Strukturen der Serie SIDERALE sind im 3. Jahrtausend notwendiges Element der Ergänzung und Komplettierung. Jede Architektur und jeder Wohnstil erhalten durch sie besondere Wertgebung durch visive Tiefenwirkung, Schönheit und Eleganz.
