® scopri il nuovo senso della terra

Geo, terra evoluta.

Da Senio Industria Ceramica, GEO Terra evoluta, la nuova linea di gres porcellanato ispirato alla rivisitazione dell'esperienza più essenziale della materia ceramica: il cotto. In nove colori, per interno ed esterno. Con oltre 13 formati standard e numerosi pezzi speciali, si presenta come una proposta affascinante e stimolante.

I formati modulari

Sono tredici. Tredici formati modulari tra loro. Un'altra preziosa risorsa proposta da Geo. Ennesima idea naturale della linea SENIO. Le combinazioni possibili stimolano la creatività dell'arredatore, mettendo a sua disposizione molteplici soluzioni di posa. Naturale e Lappato sono le personalità dei formati modulari.

GEO

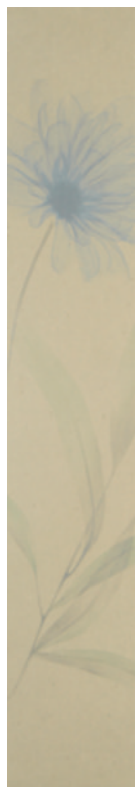

Decori

Calde combinazioni di forme.
Colori naturali sapientemente accostati
nei colori GEO. Linee morbide e sinuose
si inseguono, modellate dal vento.
Impreziosiscono e rendono suggestivi gli
ambienti che "vestono".
Sono i particolari a fare la differenza.
