## Decorì ad altorìlievo

HEOS, uno scrigno di idee luminose. Decorì e pezzi speciali arricchiscono la nuova linea SENIO. Si parte dalla semplice matita vaschetta, passando per i decorì a bassorìlievo impreziositi dai tocchi manuali di colore, per arrivare agli ammiccanti giochi di chiaro-scuro caratteristici dei decorì ad altorìlievo, realizzati con smalto particolare. La luce ha scelto HEOS.

## Decorì a bassorilievo

L'istintiva gioia trasmessa dai girasoli  
arriva dritta al cuore,  
scaldando l'anima.

Circondarsi dell'atmosfera  
rassicurante evocata dal "Tiglio  
azzurro", dalla "Betulla corallo" e dagli  
altri decori foglie SENIO. Emozioni  
semplici trasmesse dai decori a  
bassorilievo, veri e propri "doni  
naturali", ingentiliti da tocchi manuali  
di colore.
