Modellare la luce

Il successo dei Vetri Ceramici Senio si consolida
nel nuovo marchio HEOS.

HEOS, per catturare le suggestioni della luce,
"fermare" i colori del sogno. L'unione magica
dell'arte del vetro a quella ceramica, la fantasia
del progetto e le nuove tecnologie: gli ingredienti
per creare una materia ricca di
meravigliosi effetti di luce.

Nuovi colori, nuovi formati e mosaici fatti a mano,
per valorizzare al massimo il fascino ed il
successo di questa idea esclusiva di Senio,
che così bene ha coniugato creatività artistica
e padronanza tecnologica e produttiva.

Decorì ad altorìlievo

HEOS, uno scrigno di idee luminose. Decorì e pezzi speciali arricchiscono la nuova linea SENIO. Si parte dalla semplice matita vaschetta, passando per i decorì a bassorìlievo impreziositi dai tocchi manuali di colore, per arrivare agli ammiccanti giochi di chiaro-scuro caratteristici dei decorì ad altorìlievo, realizzati con smalto particolare. La luce ha scelto HEOS.
