The beauty of imperfection

La belleZZa dell'imperfeZZione

CERAMICA SENIO si racconta attraverso le sue piastrelle ceramiche. Osservando la produzione Senio affiora la filosofia di progettazione e marketing volta al design, al valore aggiunto dell’artigianato, alle pregiate materie prime e al processo produttivo ancora legato volutamente alle antiche tradizioni del “fare ceramica”. Con questi valori nasce *RAKU*, new collection di Senio Atelier ispirata all’antichissima ceramica orientale “Raku” caratteristica per gli smalti dai colori cangianti e materici. La nuova collezione di piastrelle da rivestimento è unica in termini di superficie, colori e formato. *RAKU* by Senio è disponibile in 6 colori: WHITE SHELL (bianco), CREAM (bone), CERULEAN (verde), BRONZE (blu), UMBER (marrone), BRICK COLOR (giallo reale) nel formato cm 6,5x26 e dispone di pezzi speciali oltre che a 3 tonalità di mosaico montato su rete cm 26x30 (tessera 2x8,5). La particolarità di *RAKU* è che non troverai mai una piastrella uguale all’altra ed è proprio questa. ..

. .. La bellezza dell'imperfezione

CERAMICA SENIO is known for its ceramic tiles. From its production, the philosophy of design and marketing, it is evident that this is a company that pays special attention to handicraft, design, choice of raw materials and traditional production methods, typical of the real ceramic art. Employing these values, Senio developed *RAKU*, the latest collection of Senio Atelier, inspired by the oriental ancient “Raku” ceramics, rich in iridescent and material glazes. This new wall tile collection is unique in colour, format and surface. *RAKU* by Senio is available in one format, cm 6.5 x 26 - 2”x10” and in 6 colours WHITE SHELL (white), CREAM (bone), CERULEAN (green), BRONZE (blue), UMBER (brown) and BRICK (yellow). Special peaces are available in all colours, 3 mixed colours of mesh mounted mosaic on cm 26 x 30 - 10”x11,8” sheets (dot cm 2 x 8.5 - 3/4”x3,3”) complete and enrich the range. The character of *RAKU* is that each tile is different from the others and this is. ..
