

Il resort LOANO 2 VILLAGE - LIGURIA - ITALY □ stato realizzato dall'impresa di costruzione Cappelluto. Parte dell'hotel e i bagni sono stati rivestiti con COTTAGE STONE collezione particolarmente indicata per spazi pubblici. La spiccata stonalizzazione e i versatili formati modulari di COTTAGE hanno consentito la creazione di □tappeti□ e cornici caratterizzando lo spazio.

A photograph of a hotel lobby. The floor is made of large, light-colored stone tiles. In the foreground, a large blue graphic is painted on the floor, consisting of a double-lined rectangular border enclosing the text "Loano 2 Village" and four stars below it. To the left, there are several light-colored wicker armchairs. In the background, there is a reception desk with a wooden counter and a dark base, a glass display case, and a bar area with a curved wooden top and dark base. A person is visible behind the reception desk. A silver stanchion with a black belt is positioned near the reception desk. A large potted plant is also visible. The overall atmosphere is clean and modern.
