«È come un pezzo di ghiaccio entro cui brucia una fiamma» scriveva Kandinsky alludendo alla sua pittura grafica. Ispirandosi al pensiero di questo artista, è nato il progetto GRAPHICA, collezione in bicottura che si distingue per lo smalto “cristallizzato”, sul quale è impressa una grafica, lucida e brillante. Le grafiche richiamano gli elementi fondamentali della pittura di Kandinsky: Punto, Linea, Superficie, Impressione che esprimono un design essenziale e contemporaneo. La collezione è composta da 6 colori soft, 2 formati modulari 10x30 e 20x60, preziosi decori e pezzi speciali.

“It is a block of ice with a burning flame inside” wrote Kandinsky about his abstract painting. GRAPHICA project was inspired by this thought. It is a double-fire range characterized by a crystallized glaze with a shiny and brilliant graphics which recall the 4 graphic elements of Kandinsky painting: Point, Line, Plane, Impression. They express an essential and contemporary design. The collection is composed by 6 soft colors, 2 modular sizes (10x30 and 20x60), precious decors and special pieces.

«C’est comme un morceau de glace dans lequel une flamme brûle », a écrit Kandinsky, faisant allusion à sa peinture graphique. L’idée de cet artiste a inspiré le projet GRAPHICA, une collection en biccuisson qui se caractérise par l’émail “cristallisé” où des graphiques vives et brillantes s’impriment. Les graphismes rappellent les éléments de base de la peinture de Kandinsky: Point, Ligne, Surface, Impression exprimant un style élégant et contemporain. La collection comprend: 6 tons doux; 2 formats, cm 10x30 et 20x60, modulaires; décorations précieuses et pièces spéciales.

“Как кусок льда, внутри которого горит пламя” писал Кандинский, ссылаясь на свою графическую живопись. Мысль этого художника вдохновила на создание проекта GRAPHICA коллекция плитки двойного обжига, отличающейся “кристаллизованной” глазурью, на которой выдавлена графика глянцевая и блестящая. Графика отображает основные элементы живописи Кандинского: Точка, Линия, Плоскость, Впечатление, которые выражают лаконичный и современный дизайн. Коллекция состоит из 6 мягких цветов, 2 модульных формата 10x30 и 20x60, ценные декоры и специальные цены.
