MADE IN ITALY

Bridge

Ceramica Senio presenta **BRIDGE**, la nuova collezione in **ceramica da rivestimento** realizzata in **bicottura**, studiata per creare una **sinergia** con altre nostre serie. La collezione si caratterizza per il grande **formato 20x60 cm** e da **sei colori** già presenti nelle nostre serie Newport, Westport, Luna, Chevron, alle quali Bridge **si integra** facendo da sfondo o da protagonista. Il grande formato permette di apprezzare le **caratteristiche superficiali dello smalto** nella sua **profondità** (nel caso della superficie *craquelé*) e **setosità** (nel caso della superficie *silk*).

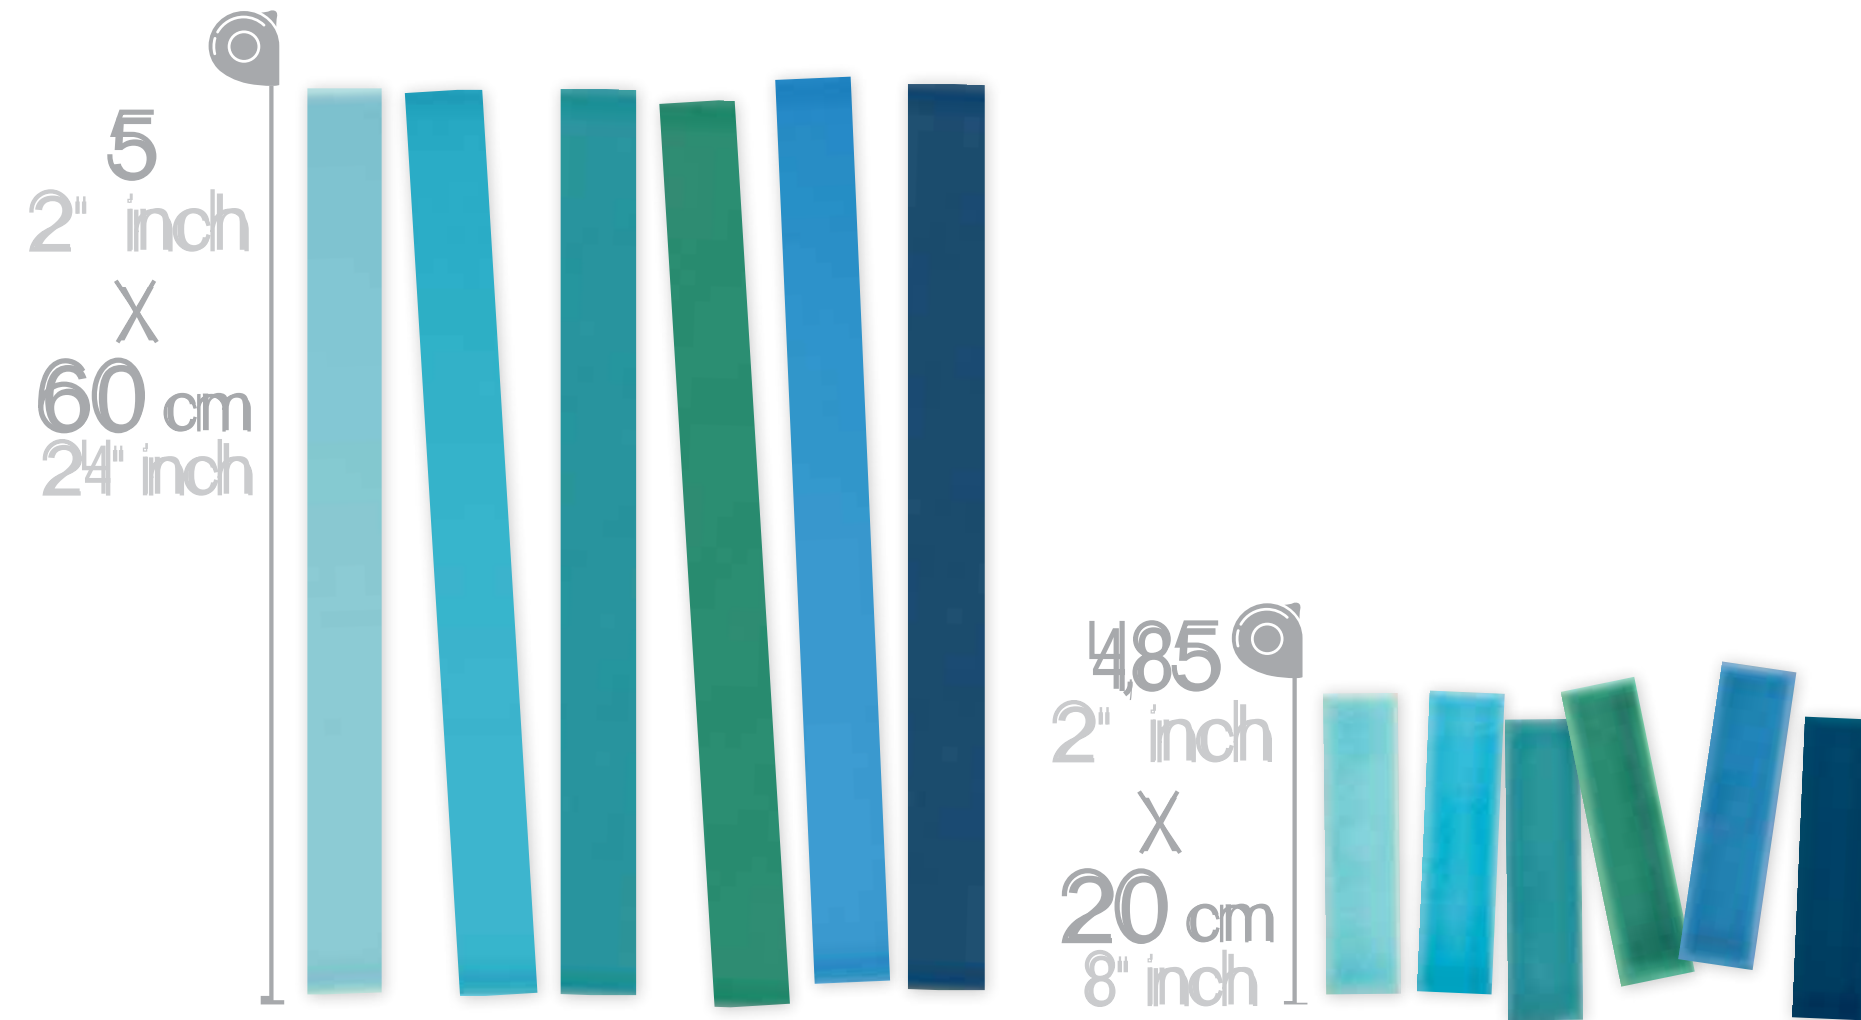

Ceramica Senio presents **BRIDGE**, the new collection in **double-fired ceramics for walls**, designed to create a synergy with the other Senio ranges. This collection is characterized by a large **20x60 cm size** and **six colors** already present in our Newport, Westport, Luna and Chevron series, where BRIDGE can play the role of their background or can be protagonist. The large format emphasizes the **surface features** such as the **depth** of the *crackle* glaze and the **soft touch** of the *silk* surface.

Bridge

La gamma è arricchita da sei tonalità ispirate ai colori suggestivi dei panorami mediterranei. La superficie si distingue per la sua profonda brillantezza data dallo smalto craquelé. La modularità dei formati e la corrispondenza dei colori, permette di abbinare la collezione **BRIDGE** alla collezione **MEDITERRANEA**.

The collection is enhanced by 6 colors inspired by the nuances of evocative Mediterranean landscapes. The surface stands out for its deep brilliance given by the crackle glaze. The modularity of the sizes and the matching colors allow to combine **BRIDGE** collection with **MEDITERRANEA** collection.
