

ACQUA

ACQUA è una collezione di piastrelle da rivestimento realizzata in pasta bianca smaltata nel formato 7x40 cm - 2,8"x16". Ogni piastrella è come un'onda del mare colorata: lo smalto lucido craquelé si fonde sempre in maniera unica con la superficie strutturata del biscotto creando pareti "ad effetto" anche utilizzando un unico colore. La collezione è composta da 8 colori ognuno dei quali ha le varianti Intenso (colore saturo), Velato (colore con saturazione media) e Limpido (colore chiaro). Cosa stai aspettando... tuffati nel colore!

ACQUA is a collection of white-body glazed wall tiles, available in 7x40 cm - 2.8 x16 inches. Each tile is like a coloured sea wave : the crackle glaze shines beautifully on the structured surface of the biscuit, creating wavy walls with a wow effect, even using just one colour. The collection consists of 8 colours with 3 options each: Intenso (saturated), Velato (medium saturation) and Limpido (light). What are you waiting for? Dive into color!
