

Mutano

Il fascino del vetro e della ceramica di fondono nella nuova collezione **Murano** in terracotta smaltata, dove l'artisticità e la matericità del vetro colorato vengono riviste in chiave contemporanea. La palette colori evoca i toni della natura che prendono vita nei formati 10x10 cm - 4"x4", 20x20 cm - 8"x8", 10x20 cm - 4"x8", 4,85x20 cm - 2"x8", 4,85x4,85 cm - 2"x2" e nel particolare formato ad arco "Provenza" che richiama le forme sinuose e classiche della Laguna.

The charm of glass and ceramic blends in the new **Murano** collection, in glazed terracotta, where the arts and the materiality of coloured glass are revisited in a contemporary key. The colour palette evokes the tones of nature, which shine in the 10x10 cm - 4"x4", 20x20 cm - 8"x8", 10x20 cm - 4"x8", 4,85x20 cm - 2"x8", 4,85x4,85 cm - 2"x2" sizes and in the unique "Provenza" arched shape, recalling the sinuous and classic images of the Venetian Lagoon.

Der Charme von Glas und Keramik vereint sich in der neuen **Murano**-Kollektion in glasierter Terrakotta, in der die Kunstfertigkeit und Materialität von farbigem Glas in einem zeitgenössischen Schlüssel neu interpretiert werden. Die Farbpalette erinnert an die Töne der Natur, die in den Formaten 10x10 cm - 4 "x4", 20x20 cm - 8 "x8", 10x20 cm - 4 "x8", 4,85x20 cm - 2"x8", 4,85x4,85 cm - 2"x2" zum Leben erweckt werden, während die gewölbten das Format „Provenza“ erinnert an die gewundenen und klassischen Formen der Lagune.

Le charme du verre et de la céramique s'unissent dans la nouvelle collection **Murano** en terre cuite émaillée, où l'art et la matérialité du verre coloré sont revisités dans une touche contemporaine. La palette de couleurs évoque les tons de la nature qui se décline aux formats 10x10 cm - 4"x4", 20x20 cm - 8"x8", 10x20 cm - 4"x8", 4,85x20 cm - 2"x8", 4,85x4,85 cm - 2"x2" et au format arqué « Provenza », qui rappelle les formes sinueuses et classiques de la Lagune.

El encanto del vidrio y la cerámica se unen en la nueva colección **Murano** en terracota esmaltada, donde el arte y la materialidad del vidrio coloreado se revisan en clave contemporánea. La paleta de colores evoca los tonos de la naturaleza que toma forma en las medidas 10x10 cm - 4"x4", 20x20 cm - 8"x8", 10x20 cm - 4"x8", 4,85x20 cm - 2"x8", 4,85x4,85 cm - 2"x2" y en el formato arqueado "Provenza", que recuerda las formas sinuosas y clásicas de la Laguna.

Очарование стекла и керамики объединяется в новой коллекции **Murano** из глазурованной терракоты, где мастерство и материальность цветного стекла пересматриваются в современном ключе. Цветовая палитра напоминает тона природы, которые оживают в форматах 10x10 см - 4"x4", 20x20 см - 8"x8", 10x20 см - 4"x8", 4,85x20 см - 2"x8", 4,85x4,85 см - 2"x2". С другой стороны, арочный формат «Provenza» напоминает извилистые и классические формы Лагуны.

Murano

SUPERFICE SURFACE

E' un particolare effetto superficiale dello smalto, caratterizzato da piccole crepe che sono state provocate dalla differenza dei coefficienti di raffreddamento del supporto e dello smalto.

It's a particular effect of the superficial glaze, characterized by small cracks that have been caused by the difference of cooling support coefficients and of the glaze.

Dies ist ein besonderer Effekt der oberflächlichen Glasur, die durch kleine Risse gekennzeichnet ist, die durch die unterschiedlichen Koeffizienten beim Abkühlen von Biskuit und Glasur hervorgerufen wurden.

C'est un effet remarquable sur l'émail superficiel, caractérisé par de petites fissures qui ont été provoquées par la différence de coefficients de refroidissement du biscuit et de l'émail même.

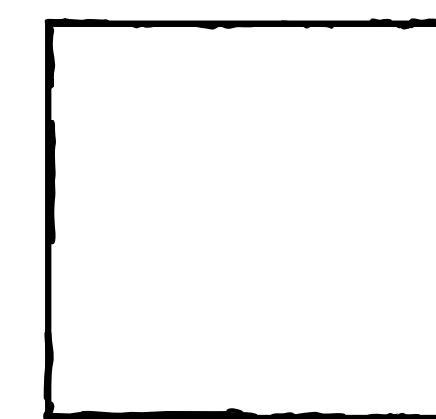

Es un efecto particular del esmalte superficial, caracterizado por pequeñas grietas que han sido provocadas por la diferencia de coeficientes de enfriamiento del bizcocho y del esmalte.

Это особый эффект поверхностной глазури, характеризующийся небольшими трещинами, вызванными разницей коэффициентов охлаждения бисквита и глазури.

Terminale
Ending piece

A

Per terminare il rivestimento, è possibile utilizzare il pezzo speciale “quartino”, che raccorda perfettamente le piastrelle alla parete. Il quartino, in questo caso, ha scopo estetico e funzionale perché evita allo sporco di depositarsi sul bordo della piastrella.

To finish the cladding, you can use the “quartino” special piece, which perfectly joints the tiles to the wall. The quartino, in this case, has an aesthetic and functional purpose because it prevents dirt from settling on the edge of the tile.

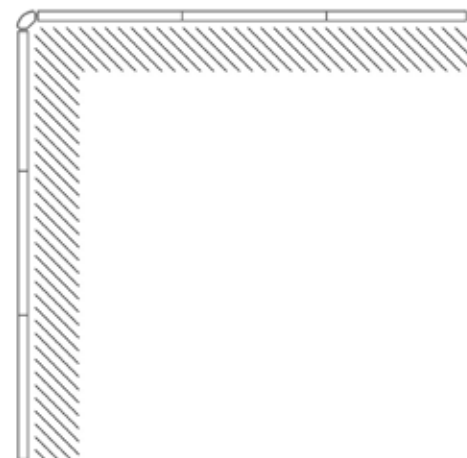

Pour finir le revêtement, il est possible d'utiliser la pièce spéciale “quartino”, qui relie parfaitement les carreaux au mur. Le quartino, dans ce cas, a un but esthétique et fonctionnel, car il empêche la saleté de se déposer sur le bord du carreau.

Para rematar el revestimiento, se puede utilizar la pieza especial “quartino”, que une perfectamente el borde de los azulejos a la pared. El quartino, en este caso, tiene una finalidad estética y funcional, porque evita que la suciedad se asiente en el borde de la baldosa.

Um die Verkleidung fertigzustellen, kann das spezielle „Quartino“-Stück verwendet werden, das die Fliesen perfekt mit der Wand verbindet. Der Quartino hat in diesem Fall einen ästhetischen und funktionalen Zweck, da er verhindert, dass sich Schmutz am Rand der Fliese absetzt.

Riveste un angolo esterno
Cover an external corner

B

Per rivestire un angolo esterno, è possibile utilizzare il pezzo speciale “quartino”, che raccorda perfettamente le piastrelle posate a 90°.

To cover an external corner, you can use the “quartino” special piece, which perfectly joints the tiles laid at 90°.

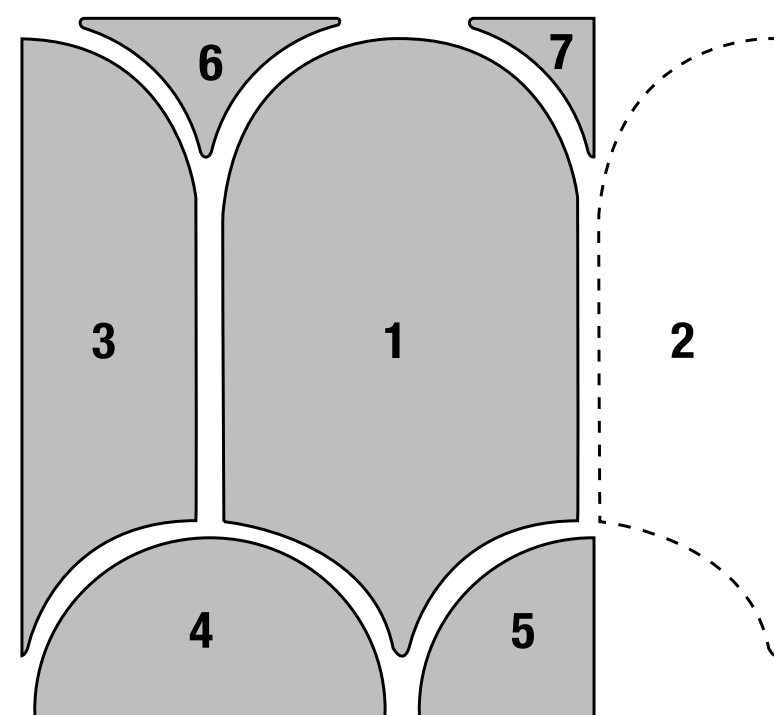

Pour recouvrir un angle extérieur, il est possible d'utiliser la pièce spéciale «quartino», qui relie parfaitement les carreaux posés à 90°.

Para revestir una esquina exterior, es posible utilizar la pieza especial “quartino”, que une perfectamente las baldosas colocadas a 90°.

Um eine Außenecke abzudecken, ist es möglich, das spezielle „Quartino“-Stück zu verwenden, das die im 90°-Winkel verlegten Fliesen perfekt verbindet..

IL VALORE DEL FATTO A MANO

Per Ceramica Senio un prodotto “handmade” è sinonimo di alta qualità e trasmette il chiaro messaggio di coltivare e supportare tradizioni antiche. Le nostre ceramiche sono progettate e realizzate con passione e cura da persone che amano il loro lavoro.

THE HANDMADE VALUE

For Ceramica Senio “handmade” is a synonymous of high quality and it shows Ceramica Senio’s will to pursue and support the ancient traditions. Our ceramic tiles are designed and made with passion and care by people who love their work.
