The background of the image is a close-up, angled view of a blue leather surface. The leather has a fine, cracked texture and is divided into a grid of rectangular sections by raised, light-colored lines. The lighting creates highlights and shadows, emphasizing the three-dimensional quality of the grid and the texture of the leather.

Spatula è una collezione di piastrelle realizzate in terracotta smaltata che riesce a coniugare lo stile contemporaneo “Urban Chic” alla vera manifattura artigianale. Il nome deriva dal processo produttivo utilizzato per la sua realizzazione, cioè l’uso della spatola per stendere lo smalto sul biscotto, un intervento manuale che dona un aspetto irregolare ed unico ad ogni pezzo. *Spatula* rappresenta la fusione dell’alto artigianato con il design, la gamma di colori scelta per questa collezione rispetta la materia di cui è composta con tonalità calde e naturali e smalti lucidi, opachi, metallizzati.

Spatula is a collection of double-fired ceramic tiles that combines contemporary style “Urban Chic” with handcrafts. This name comes from the tool used to spread the glaze on the bisque, which involves a manual intervention that gives an irregular and unique appearance to each piece. *Spatula* collection represents the fusion of high craftsmanship with design; its warm and natural colours, including metallics, matt glaze, glossy glaze, empathize the raw material of which it is composed.

LUCIDI . CRAQUELÉ *HAND MADE*

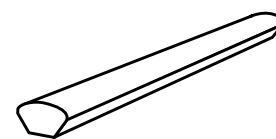

Bon Bon è una collezione di ceramica artigianale da rivestimento in terracotta smaltata, caratterizzata dall'originale formato "Provenza" 10x17,5 cm - 4"x7" e dalla superficie lucida come la glassa che ricopre le caramelle. Il mood della collezione è fresco e giocoso grazie ai colori pastello e al formato Provenza che, con i suoi molteplici pezzi speciali e la caratteristica forma ad arco, stuzzica la fantasia dei progettisti.

Bon Bon is a collection of handmade ceramic wall tiles in glazed terracotta, characterized by the original "Provenza" shape, sized 10x17,5 cm - 4"x7" and by a glossy surface, which reminds of the glaze of candies. The mood of this collection is fresh and playful because of its pastel colours and the Provenza shape which stimulates the imagination of the designers, by its many special pieces and its characteristic arched edges.
