

Via Appia

VIA APPIA è una collezione da rivestimento in **terracotta smaltata**, dal **design scultoreo e tridimensionale**. La sua sezione e lo smalto semi-opaco materico ricorda il linguaggio estetico delle antiche colonne romane dislocate lungo la famosa Via Appia ma incarnando tutta la modernità dei giorni nostri, grazie ai colori ricercati e originali. Il modulo principale è in formato **20x30x2 cm – 8”x12”x0,8”** e ha la particolarità di poter essere posato senza fuga e stucco (eccetto per le zone umide). Un ambiente rivestito con Via Appia è senza dubbio un mix tra **fascino, storia e design**, che **interpreta il valore del passato attraverso una nuova artigianalità contemporanea**.

VIA APPIA ist eine Kollektion von Verkleidungen aus **glasiertem Terrakotta** mit **skulpturalem und dreidimensionalem Design**. Ihr Querschnitt und die halbmatte, materielle Glasur erinnern an die ästhetische Sprache der antiken römischen Säulen entlang der berühmten Via Appia, verkörpern jedoch die gesamte Modernität unserer Tage dank der raffinierten und originellen Farben. Das Hauptmodul hat das Format **20x30x2 cm – 8”x12”x0,8”** und hat die Besonderheit, ohne Fugen und Putz verlegt werden zu können (außer in feuchten Bereichen). Ein mit Via Appia verkleideter Raum ist zweifellos eine Mischung aus **Charme, Geschichte und Design**, die den **Wert der Vergangenheit durch ein neues zeitgenössisches Handwerk interpretiert**.

The main module is sized **20x30x2 cm – 8”x12”x0.8”** and has the particularity of being suitable for installations without joints and grout (except for wet areas). An environment covered with Via Appia is a stunning mix of **charm, history and design**, which **interprets the value of the past through a new contemporary craftsmanship**.

VIA APPIA — эту коллекцию утилируют для покрытия из глазурованной терракоты с скульптурным и трехмерным дизайном. Ее облечение и полуматовый глазурь напоминают эстетический язык древнеримских колонн расположенных вдоль знаменитой улица Аппия, но воплощают всю современность сегодняшнего дня благодаря изысканным и оригинальным цветам. Основной формат имеет размеры 20x30x2 см – 8x12x0,8 дюйма и отличается возможностью установки без швов и затирки (за исключением влажных помещений). Помещение, облицованное плиткой Via Appia, это, несомненно, сочетание шарма, истории и дизайна, интерпретирующее ценности прошлого, через новое и современное мастерство
